Your generous donation helps us achieve those goals.

How the Business Card Directory works.

- All of the cards in the Directory are displayed when the page is opened or refreshed.
- The cards are displayed randomly on the page so they appear in a different location each time.
- The cost is \$35.00 for the first card and \$20 for each additional card.
- All of the cards purchased will be displayed on the page.
- The cards stay on the page for one year.
- The card can be a Link. When it is clicked it can open a webpage or start an email, your choice.
- You can select a specific Team or Player to receive your support
- Thunder United Metro is a 501(c) 3 organization; you may be eligible for a tax deduction.

To have your card added to the Directory, send a card with your check for the number of times you want it displayed to:

Thunder United Metro FC
941 Stubbs Mill Road
Lebanon, OH 45036
Attn: Business Card Directory

Please note on the back of the card if you want to have a webpage opened (include the URL) or an email created (include email address) when your card is clicked.

If you would like a specific Team or Player credited with your donation include that on the card. When selecting a Player also include the Team name or Coach.
